AWARD

This reference concerns the denial of employment to Sri. T. M. Thomas. The reference was made to the Industrial Tribunal, Alleppey as per G. O. (Rt) No. 1182/80/LBR dated 11-8-1980. The Tribunal took the case on file as Industrial Dispute 17/80/1980. On the establishment of Industrial Tribunal, Quilon the same transferred to this Tribunal and re-numbered as Industrial Dispute 30/82.

Both parties appeared before the Industrial Tribunal Alleppey and filed their respective statement. The case was transferred to this Tribunal when it was pending trail. After the case was taken on the file of this Tribunal, it was posted to 28-5-1982 and notices were issued to both parties respectively. The management alone appeared. Though notice had been duly served on the workman, he remained absent.

Since the workman did not appear and support his claim by adducing evidence no relief can be given to him. It has to be inferred that the dispute referred for adjudication no longer sub.its.

In the result an award is passed holding that there is no dispute exists for adjudication in this case.

AWARD

This Industrial Dispute between the above parties was initially referred for adjudication to the Industrial Tribunal, Alleppey as per G. O. Rt. No. 811/81/LBR dated 1-7-1981. That Tribunal registered the case as Industrial Dispute No. 7/81. On the establishment of this Tribunal, the same was transferred to this Tribunal and re-numbered as Industrial Dispute 34/82.

The issue referred for adjudication is "Re-employment to give retrenched workers Viz:—Sharia, Podikutty, Raghavan, Padhu and Varghese".

The union and the management appeared before the Industrial Tribunal Alleppey and filed vakalaths through counsel. Fresh registered notices with acknowledgment due were sent to both side from this Tribunal also. Management alone appeared through counsel. Though notices duly served on the union, they have not chosen to appear before this Tribunal. Hence the union was set exparte.

Since the union has not come forward and established their claim I find that the union is not interested in the issue referred.

An award is passed accordingly.

AWARD

Termination of service of Sri P. Damodharan Asari is the issue referred for adjudication by Government of Kerala as per G. O. (Rt.) No. 832/79/ L & H dated 6-6-1979.

2. The dispute relates to the termination of service of Sri P. Damodaran Asari hereinafter referred to as the 'Workman'. The workman filed a claim statement contending that the punishment of termination of service was imposed without conducting a domestic enquiry, that the charges were not proved by reliable evidence and that the explanation of the workman was not properly considered by the management.

3. The Management filed a counter statement contending that the dispute in question is an individual dispute and not an industrial dispute and a detailed counter statement would be filed after the preliminary point is pecided.

4. The workman filed a replication contending that the court has jurisdiction.

5. When the matter came up for hearing on 3-5-1982 the worker and his advocate were absent. Sri B. S. Krishnan, Counsel for the Management filed an application signed by the worker, his advocate, the Managing Director of the Kerala State Small Industries Development & Employment Corporation Ltd. and by Mr. Krishnan himself. As per the compromise memo the management had agreed to reinstate the worker with immediate effect. The agreement further provides, that the workman will not be entitled to back wages for the period he was remaining out of service. He has been given continuity of service and notional increments to be fixed in appropriate grade on reinstatement. The terms of the compromise appears to be reasonable, I therefore accept the same and pass an award accordingly. The memo of compromise shall be appended to this award.

This award shall come into force on the expiry of 30 days from the date of its publication in the Government Gazette.

Dictated to the Confidential Assistant, transcribed and typed out by him, corrected by me on this the 15th day of June, 1982.

AWARD

The issue referred for adjudication by Government as per G. O. (Rt.) No. 449/81/LBR dated 28-3-1981 is "Dismissal of an employee".

2. The Management in its written statement pleads that the dismissal was inflicted as a punishment on the basis of the findings in a domestic enquiry that the employee is guilty of grave acts of misconducts. The employee on the other hand in her charter of demands appended to the reference as well as the rejoinder filed in answer to the written statement while pleading innocence claims reinstatement with all benefits stating that there was no valid or proper domestic enquiry or sufficient reasons for such a punishment.

3. The case was posted for evidence on the above pleadings. Then the learned counsel appearing on behalf of the employee submitted that his client is no more interested in prosecuting her claims. An endorsement to that effect is also made by the learned counsel. The position now is that the employee has given up all her claims. That being the position it has to be said that there is no subsisting industrial dispute. Therefore an award is passed to the effect that there is no subsisting industrial dispute for adjudication.
